CIRCULAR NO.: 1/2022

01.03.2022

Dear Parents/ Guardians

The Bethany Convent School, Partadih, Rajaulatu extends a warm welcome to you as a new member of the Bethany family especially to the new comers.

With every new beginning we weave new dreams and hopes. Now that it will be a new beginning for both, you and us, we wish to work hand in hand, so that our little gems, our children reap the best of our united efforts we make for their progress.

Caster Nodding has rightly said, "There are two gifts we can give our children. One is roots, the other is wings.

The greatest contribution on the part of the parent should come before the child ever begins his formal education – that contribution is to make their roots strongly embedded in values and positive attitude.

We at school will provide them invaluable resources of formal education and guidance that will help them grow and take up challenges in good spirit.

Parents, our children are our assets. Once they have been given the right vision and direction in this impressionable age, they will follow it to a large extent.

You might be engendering many fears and apprehensions about the new phase of life your child is entering into. Shed all your misconceptions and envision a positive introduction to school for them. You can make a world of difference for him/her. Let him/her have a vision of a fond and a happy initiation to school.

It's only with each other's (you and the school) co- operation, faith and support that our children will grow into beautiful human beings.

You and your little ones must be looking forward for a formal interaction with the school.

Important points to remember:

1. **School Diary:** For the smooth functioning of the child's progress, every parent is requested to read the Rules and Regulation of the School which is put in the school diary, namely: Rules for Payment of Fees, Leave of Absence, Rules of Discipline, Homework, Teacher's Remark, Principal's Remark, Non-Attendance Leave Record and Parents' acknowledgement duly signed.

 - All the students are expected to come to school neatly dressed with clean uniform and handkerchief.
